C E N T E R

**Mission Statement**  
 Our purpose is to protect children, strengthen and shelter families and individuals, foster self-sufficiency, and facilitate a caring community.

Our Building Blocks...

**A**ccepting  
**B**elieving  
**C**ompassion

"Our Passion is preventing child abuse and poverty"

As the end of the year approaches and a New Year begins, it is a good time to reflect on how each of us can make a difference with our gifts for helping the needs of others. We welcome all levels of donations, whether it's a one time individual gift, a monthly donation or yearly business gift.

When your life has you feeling abandoned, angry, depressed, hopeless, or stressed, the Family Connection Center Team can help put you back on the road to fulfillment one step at a time.

Yes! I want to support the Family Connection Center.
